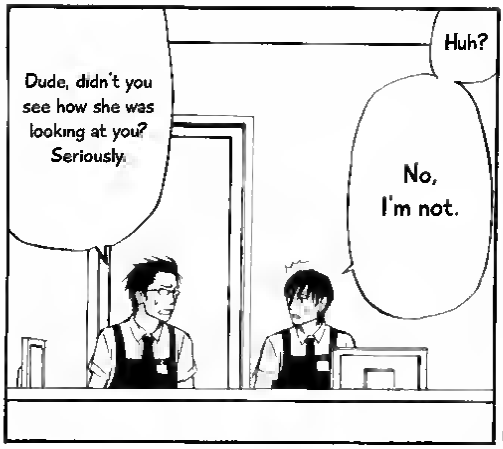
STEP.24: UNEXPECTED VISITOR

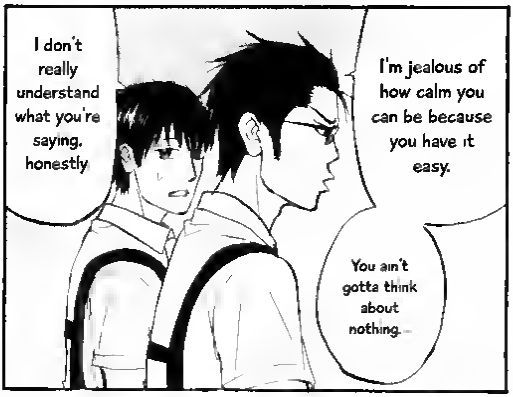
brought to you by **KANJUT SCANS**, bet you didn't expect that huh



Dude, didn't you see how she was looking at you? Seriously.
Huh?
No, I'm not.

You're popular with the girls as always.

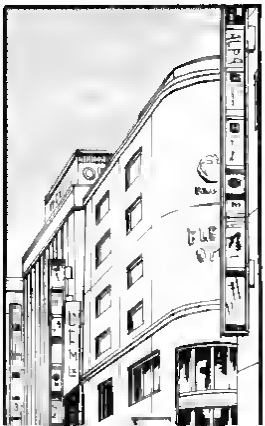
Yeah, you do that. Go be somewhere else.
...Well, it's time for my break.

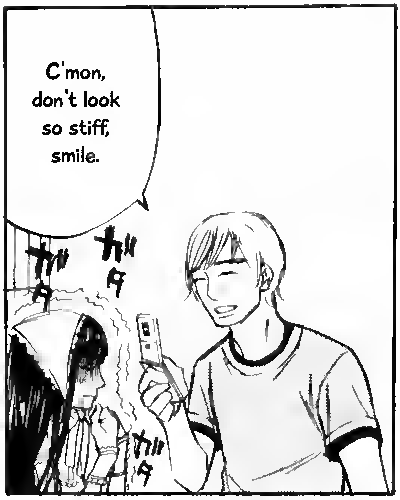


I don't really understand what you're saying, honestly.
I'm jealous of how calm you can be because you have it easy.
You ain't gotta think about nothing.

You look really cute in your goth loli outfit.
No, please, I...

You being alone means you're free right?
Let's go to a cafe and have a chat.

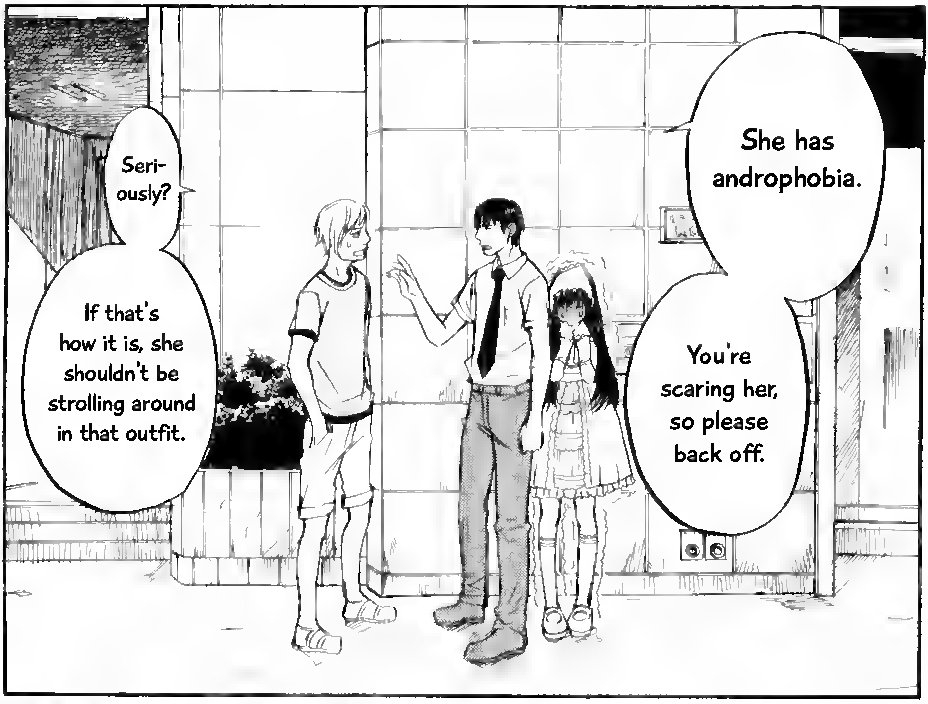




C'mon, don't look so stiff, smile.

It's all right if I take a pic of you, right?

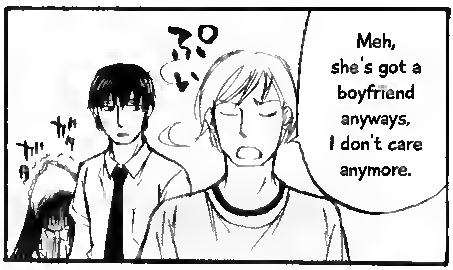
!!
Kuni-kida-san...
Natsume-san!



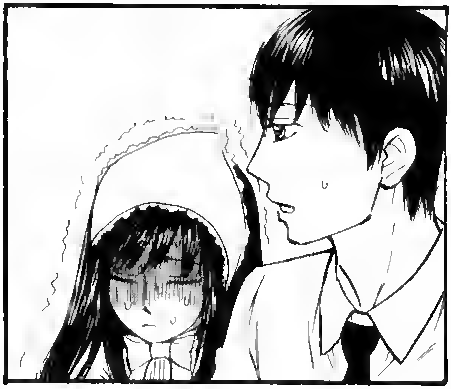
She has androphobia.
You're scaring her, so please back off.
Seri-ously?
If that's how it is, she shouldn't be strolling around in that outfit.

4

...Th.. Thank you...
No, it's okay.
That surprised me, I didn't think you'd actually be here.



Meh, she's got a boyfriend anyways, I don't care anymore.



Natsu-

san?

Why
are you
here?
I...
You...
I was.

I...
HAH...

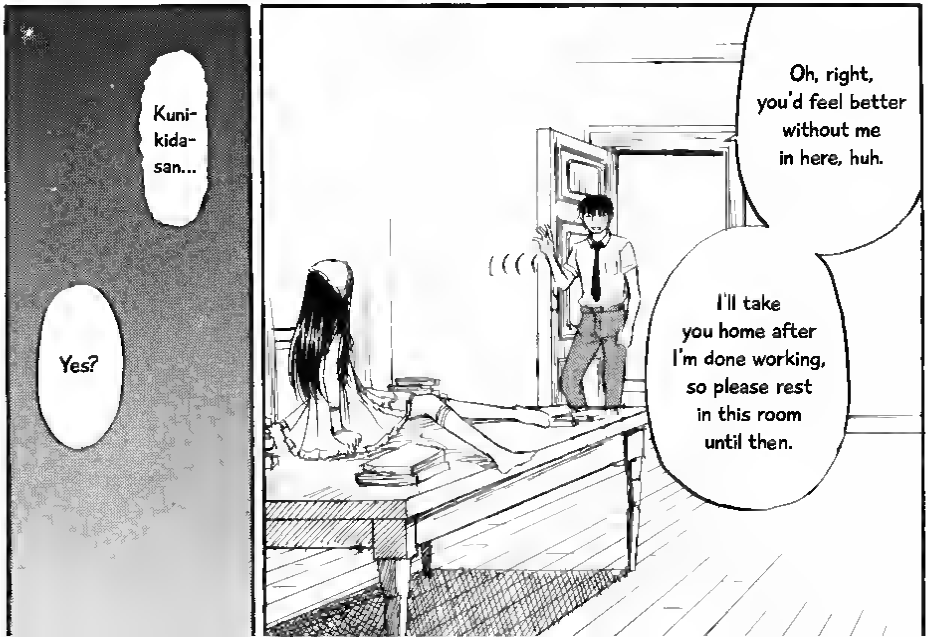
I...
Kuni-kida-san...
I didn't know where else to go
Are you awake?
I'm sorry for laying you down on a table like this.



Kuni-kida-san...
Yes?
Oh, right, you'd feel better without me in here, huh.
I'll take you home after I'm done working, so please rest in this room until then.

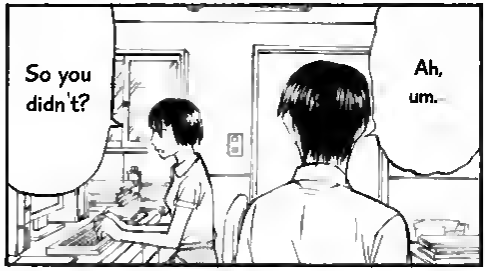
But why did she come here in the first place?
That's just strange.
Ah, that means...
Thank you.
That's good,
her face isn't as pale now.
Maybe she needs my help with something...
She came here to see me.
No, it's alright.
I'm still really sorry.
I'm sorry for making you work overtime.

Let's finish this as fast as we can.
Natsume-san is still fast asleep when I peeked at her a while ago.
I should let her rest for a bit longer.
I mean, it seemed like you have plans for today.
9
Y-Yes?
Kuni-kida-san.
ひいくっ

WHA-?!
...How's it going?
Have you...
used me as your *material* recently?

10

Why does it have to be me?
You were a great help some days ago.



So you didn't?
Ah, um.

Sorry, but I use you every day.
No, I...

Ah...
Uh...

I said that you can use me anytime you like, didn't I?

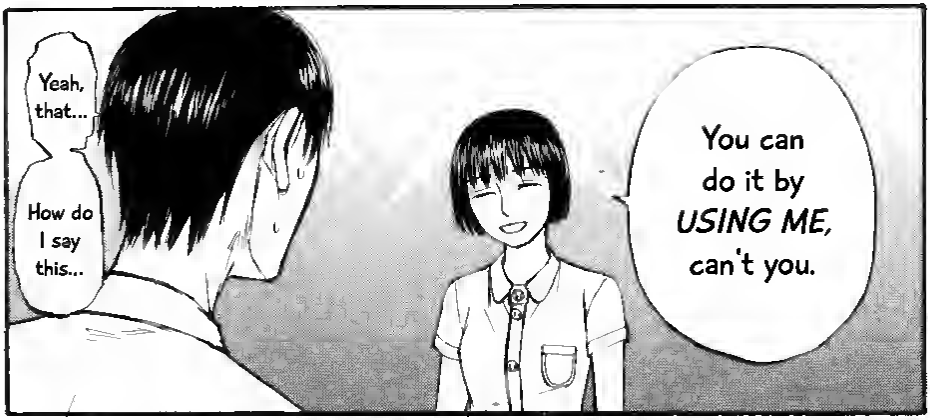
But then,
I remembered something that I once heard.

I could help you with your research.
At that time, I was glad that

I heard that men just can't use the person whom they truly love as a material.

I, uh...

Kunikida-san, you can do it using me, right?



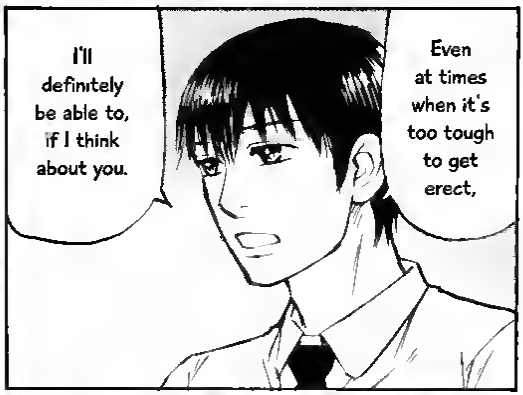
Yeah, that...
How do I say this...
You can do it by *USING ME*, can't you.

You're special, Izumi-san.
After all, you see...

I can.
But...

I can always get hard if it's you.

It's the truth.
That makes me feel happy, even if it's a lie.



I'll definitely be able to, if I think about you.
Even at times when it's too tough to get erect,

... Thanks.

Working on it together really wrapped this up quickly.
Please excuse me for leaving before you.

That's not something a guy who has a girlfriend should say.
